

Activities at Home Term 2 October 2017

Dear Parents

Our theme for this term Disney Christmas.

We will be following the stories and characters of different films. Activities are planned around the stories and characters from the stories. The different themes make it more exciting for the children to learn. The children's work will be displayed on the walls showing off their developmental skills and their progress. Please come in and have a look around.

The children are assigned a keyworker who works with them and observes to evaluate their development. Parents are welcome to talk to their child's keyworker to discuss progress or concerns, at a convenient arranged time

The areas we will be covering are:

Activities You might wish to help your child to explore this topic at home or when you are out and about, we suggest:

Encourage your children to look at different books, letting your child tell the story from the pictures and use their imagination.
